You are invited to come hear

Lisa Kohn

author of *To The Moon And Back:
A Childhood Under The Influence*
talk about how one can leave behind bizzare chaos
and create a life filled with intention and joy

Lisa Kohn became a member of the controversial Unification Church when her mother joined in the 1970s. Life in the church was full of hope until she began asking questions about its beliefs. Kohn, who details her experience in her book *To the Moon and Back: A Childhood Under The Influence*, will share the internal struggles she faced when trying to leave and how she found happiness when she did.

*“riveting, redeeming...
inspiring.”*

Cheryl Rice, MS, author of
Where Have I Been All My Life?

*“... a wild and honest
ride... with heart, grit
and courage.”*

Kelly McNelis, founder of Women For
One, author of *Your Messy Brilliance*
